

Disclosure of certified timber sources

Project Number: _____
Company Name: _____
Primary contact: _____

We, _____(name of company), certify that all timber products procured and used on Project(s) _____ will meet Crest Nicholson's Sustainable Timber Procurement Policy criteria. We further commit to only procuring and using _____ (name of certified timber, i.e. FSC or PEFC) on said Project(s).

These products will be procured from our supplier(s) _____ (supplier's name of company), who are certified to carry and trade in _____ (name of certified timber, i.e. FSC or PEFC).

Our supplier's Chain of Custody number is: _____ (put COC)

We have provided the following documents to Crest Nicholson to support our commitment:

1. Supplier's Chain of Custody certification
2. Copy of one invoice¹ or delivery note from said supplier(s) for the timber products to _____ (name of company).
3. Copy of any relevant our company policies
