TENURE OF THE PROPERTIES

WHAT DOES “TENURE” MEAN IN RELATION TO BUYING A HOME?

Simply put, the “tenure” refers to the type of ownership, for example Freehold would refer to Total Ownership, whilst Leasehold would refer to Long Term Rented Occupation.

WHAT IS THE “TENURE” OF THE PROPERTIES AT THIS DEVELOPMENT?

- HOUSES at this development are “freehold with managed common areas” which are registered at Land Registry. This means you own the building and the land it sits upon outright, forever. There are shared areas on the estate (such as roads or landscaped areas) that are maintained and insured by a management company. You pay a contribution towards these costs

As part of the planning consent for this development some homes are designated as section 106 (section 75 in Scotland) affordable housing. These properties will remain as affordable housing tenure and are specifically shown on the site layout plan and are not available for general sale. All other homes on the development are available for open market sale (including multi-unit sales) to purchasers, who could be private individuals or another type of purchaser (for example local authorities, housing associations or other commercial landlords), and, therefore, the ownership and occupation model is unrestricted and the mix of tenures on a development may change.

CHARGES

GROUND RENT

Ground rent is a regular fee (usually paid once a year) that you pay to the person or company that owns the land your home is built on (the “freeholder”).

Is any money payable for Ground Rent?

No.

SERVICE CHARGE

What is the Estimated Service Charge payable?

- HOUSES pay an “Estate Charge”. The Estate Charge is paid to the Management Company who is responsible for the maintenance and insurance of the shared areas and services of the estate which are not to be adopted by Local Authorities or Utility providers. The Estate Charge is the actual cost for undertaking the maintenance and insurance of the shared areas on the development and a proportion for a reserve fund.
- See Service Charge list below for how much service charge is payable for each type of property at this development which are correct at the time of publication. The service charge may increase in future in line with increases in estate costs.

SERVICE CHARGE LIST

A service charge list is an itemised breakdown of the costs you must pay to maintain the communal areas and shared infrastructure of a development.

ARE THERE ANY KNOWN CIRCUMSTANCES THAT WILL LEAD TO AN INCREASE IN SERVICE CHARGES / BASIS OF CALCULATION?

We have provided the most up to date Estate Charge information available at this point in time with this factsheet. We are not aware of any circumstances which may give rise to an increase in the Estate Charge nor a change in the basis of the calculation, but we would encourage you to double check these figures with your solicitor prior to exchange of contracts.

Please also bear in mind that the figures included within this factsheet represent an estimate only and the final figure Estate Charge you will pay will be based on the costs incurred in the relevant service charge year. The Estate Charge will also vary from year to year depending on the nature and extent of the maintenance carried out in any one year.

Cost Per Bedroom	2025/26
1	£93.15
2	£175.32
3	£262.78

TITLE TO THE HOMES AT THE DEVELOPMENT

LETTINGS

Can I let my Apartment?

Your ability to let the apartment is determined by the lease and any conditions of your mortgage. You can let the whole of the apartment (as opposed to the letting of part) if the letting is an Assured Shorthold Tenancy agreement which ends when the tenancy term ends and does not give any long-term rights. You should take independent legal advice if you are in any doubt. (An Assured Shorthold Tenancy means a tenant is “assured” the legal right to stay as long as they pay rent, but only for a “short” fixed period after which the landlord can ask for the property back.)

ALTERATIONS

Can I alter my House (Freehold Property)?

Substantial Alterations: You cannot add to or alter any building on the property so as substantially affect their appearance without the prior written consent of Crest (such consent not to be unreasonably withheld or delayed). Any rebuilding must, so far as reasonably possible, match the building which it renews or replaces.

For the first 5 years of your ownership, you cannot:

- Construct any building or other structure, except a good quality domestic shed /outbuilding not exceeding 10ftx8ft in size with a maximum height of 2.5 metres);
- Construct any extension; or
- Make any alteration to the external appearance of any building or structure

Except in accordance with plans previously approved in writing by Crest for which a fee of £35 + VAT is payable.

Satellite dishes or similar apparatus cannot be placed on the front elevation of any dwelling on the Property (nor in any position forward of such elevation)

PETS

Am I allowed pets in my HOUSE?

Yes, but please don't keep poultry, pigeons, or birds of prey on the property.

RESALE RESTRICTIONS/COVENANTS

What is a covenant?

A covenant is a legally binding "promise" or rule written into the property's title deeds. These rules dictate what you can and cannot do with your home or land.

Are there any resale restrictions or covenants?

A restriction on title will have to be complied with and you should ask your Solicitor for legal advice in this regard.

RIGHTS AND EASEMENTS AFFECTING THE HOMES ON THE DEVELOPMENT

What is an easement?

An easement is a legal right that allows one party to use a piece of land they do not own for a specific purpose. While a covenant tells you what you can't do, an easement usually gives someone else the right to do something on your land (like walking across it or running a pipe under it).

A drainage easement affects plots 8-12, 22, 67-72 and 107-109. You should ask your Solicitor for legal advice in this regard.

Plots 3, 4, 9-11, 17-27, 54-58, 68-72 and 107-109 incorporate shared access drives and/or footpaths which serve the properties. You will be required when the time arises to contribute (along with your neighbours) to costs associated with inspecting, maintaining, repairing and renewing any such areas.

What is an exceptional restriction?

The term exceptional restriction usually refers to a specific type of planning condition or legal entry that is more stringent than a standard covenant.

CREST
NICHOLSON

There are no exceptional restrictions around the use of, occupancy or appearance of the property other than those standard restrictions which you should ask your Solicitor for legal advice on. Some examples are shown below:

APPLICABLE TO APARTMENTS AND HOUSES:

- Your home is for private residential use only – you cannot carry on any trade, business or profession from it.
- Trailers, caravans, boats and commercial vehicles are not allowed on the development, save for commercial vehicles delivering to or collecting goods your home
- The open space areas can be used for quiet enjoyment. Please avoid playing games, playing music or any activities likely to disturb other homeowners. Children under 10 must always be accompanied by an adult.
- Other buildings may be built or altered within the development (but in the case of Apartments, not your block). These changes could affect views or natural light, but they will never block your access to your home.

APPLICABLE TO HOUSES:

- Heavy goods vehicles cannot be parked on the property or anywhere else on the development. Light goods vehicles, caravans, boats, trailers or similar must be kept out of sight of the other properties on the development].
- Please don't put up rotary airers, washing lines, poles, or any similar equipment for drying clothes in front of your home. Clothes should not be left out to dry in any position forward of the front elevation of the property.

You should ask your solicitor for legal advice on this, along with the other terms included in the title deeds and lease.

The Flood Risk report states that the development area is not considered to be at a significant risk of flooding, Flood Zone 1.

COALFIELD OR MINING AREA

There are no known issues relating to coal or other mining that may have an adverse impact on the property.

KNOWN FUTURE PHASES OF THE DEVELOPMENT CREST NICHOLSON HAVE COMMITTED TO

We have not committed to any future phases at this stage.

POTENTIAL FUTURE PHASES (NOT COMMITTED TO)

If we have an option over land or are aware of any future development through the planning process we will need to identify the area on a plan for future development.

We are not aware of potential future development on land directly adjacent to the site. No planning application has been submitted and it is not certain when a planning application will be submitted.

FACILITIES WHICH WE ARE PARTY TO ON THE DEVELOPMENT

What does party to mean?

When a developer is a “party to” the facilities on a development, it means they have a continuing legal obligation to manage, maintain, or provide specific infrastructure—even after they have started selling the individual homes.

We are party to the following facilities on the Development, namely the provision of the open space areas, play areas, private roads and any private drainage. The detailed planning consent referenced above will clarify. The relevance of this to you is that service charges will apply, as detailed above, as such areas will be transferred to the management company.

Crest Nicholson is a registered developer with the New Homes Quality Code. Please speak to a sales executive if you need further help with any marketing material including provision in another format.
