Notice of Annual General Meeting

16th February 2015

To the holders of ordinary shares in Crest Nicholson Holdings plc (the 'Company')

Dear Shareholder,

Notice of Annual General Meeting 2015

I am pleased to enclose the notice of the 2015 Annual General Meeting (the 'AGM') of the Company. The AGM will be held at 10.30 a.m. on Thursday 19th March 2015 at **Brooklands Hotel, Brooklands Drive, Weybridge, Surrey, KT13 0SL**. For directions please see the map on the last page of this document.

The notice convening the AGM (the 'Notice') is set out on pages 4 to 7 of this document. The explanatory notes for the business to be transacted at the AGM are set out on pages 8 to 12 of this document. This document should be read in conjunction with the Annual Integrated Report for the year ended 31st October 2014, which is being posted to shareholders (who have not opted to receive documents through our website) together with this document, and is also available on our website at www.crestnicholson.com/investor-relations.

Annual Integrated Report for year ended 31st October 2014

A resolution to receive and adopt the annual accounts of the Company for the financial period ended 31st October 2014 and the reports of the auditor and the Directors thereon is included in the business of the AGM (Resolution 1).

Election and re-election of Directors

The Articles of Association of the Company require that all Directors shall retire from office unless elected or re-elected at the AGM. Malcolm McCaig is stepping down at this AGM and is not standing for re-election. A recruitment process is in progress to recruit two further Non-Executive Directors one of whom will chair the Audit and Risk Committee.

I therefore ask you to support the re-election of the other Directors, each of whom offer themselves for re-election at the AGM. Biographical details for each Director can be found on pages 8 and 9 of the explanatory notes of this document and can also be found on page 68 of the Annual Integrated Report for the year ended 31st October 2014.

Dividend in respect of the year ended 31st October 2014

The Board recognises the importance of both capital growth and dividend income to our existing and potential shareholders. We are proposing to continue dividend payments with a final dividend of 10.2 pence per share for the year ended 31st October 2014 (the 'Final Dividend'). An interim dividend of 4.1 pence per share was paid on 9th October 2014 to shareholders on the register at 26th September 2014.

A resolution to approve the payment of the Final Dividend to shareholders on the register at the close of business on 13th March 2015 is included in the business of the AGM (Resolution 2).

Notes

1. To be entitled to attend and vote in respect of the number of shares registered in their name, shareholders must be entered on the Register of Members of the Company as at 6.00p.m. on 17th March 2015, or, if the AGM is adjourned, on the Register of Members at 6.00p.m. two days prior to the date of any adjourned AGM. Changes to entries on the Register of Members after 6.00p.m. on 17th March 2015, or, if this AGM is adjourned, changes to entries on the Register of Members after 6.00 p.m. two days prior to the date of any adjourned AGM, will be disregarded in determining the rights of any person to attend or vote at the AGM.

A registered shareholder entitled to attend and vote at the AGM is entitled to appoint a proxy or proxies (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. The appointment of a proxy will not prevent a member from subsequently attending and voting at the AGM in person.

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act 2006 (the 'Act') ('Nominated Persons'). Nominated Persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

If you are such a Nominated Person, it is important to remember that your main contact in terms of your investment remains the registered shareholder or custodian or broker who administers the investment on your behalf. Therefore, any changes or queries relating to your personal details and holding (including any administration) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee to deal with matters that are directed to them in error. The only exception to this is where the Company, in exercising one of its powers under the Act, writes to you directly for a response.

A proxy may be appointed by any of the following methods:

- Completing the enclosed Form of Proxy and returning it to Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; or
- If you are a member of CREST, by using the CREST electronic appointment service explained below.

Important:

In any case, to be valid your instructions or Form of Proxy must be received by the Company's Registrars Equiniti no later than 10.30 a.m. on 17th March 2015.

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedure described in the CREST Manual (available at www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Company's agent (RA19) by the latest time(s) for receipt of proxy appointments. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instruction to proxies appointed through CREST should be communicated to the appointee through other means.

Notes

CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com).

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

2. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
3. The Company will announce the level of proxy votes for and against each resolution and the number of votes withheld once the resolution has been voted on by a show of hands, except where a poll is called. When announcing a decision on a poll, the Company will disclose the total number of votes in favour and against and the number of votes withheld on the Company website (www.crestnicholson.com/investor-relations) and through a Regulatory Information Service. If a member returns paper and electronic proxy instructions, those received last by the Registrar before the latest time for receipt of proxies will take precedence. Members are advised to read the website terms and conditions of use carefully.
4. Under section 527 of the Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which accounts were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.
5. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
6. Copies of the contracts of service of the Executive Directors and the letters of appointment of the Non-Executive Directors and the Chairman will be available for inspection at the place of the meeting from 10.15 a.m. until the conclusion of the meeting.
7. You may not use any electronic address provided either in this Notice or any related documents (including the Chairman's Letter and Form of Proxy) to communicate for any purposes other than those expressly stated.
8. As at 2nd February 2015, being the latest practicable date prior to the publication of this Notice, the Company's issued capital consisted of 251,433,316 Ordinary Shares carrying one vote each. Therefore, the total voting rights in the Company as at 2nd February 2015 are 251,433,316.
9. This Notice, together with information about the total numbers of shares in the Company in respect of which members are entitled to exercise voting rights at the meeting as at 2nd February 2015 being the latest practicable date prior to the publication of this Notice and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this Notice, will be available on the Company's website www.crestnicholson.com/investor-relations.

Explanatory notes on the resolutions

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 11 are proposed as ordinary resolutions.

Resolution 1 – To receive and adopt the annual accounts of the Company for the year ended 31st October 2014 and the reports of the auditor and the Directors thereon

For each financial year, the Directors must present a Directors' report, audited accounts and an independent auditor's report on the financial statements to shareholders at a general meeting. Those to be presented at the AGM are in respect of the year ended 31st October 2014.

Resolution 2 – To declare a final dividend

The Directors recommend the payment of a final dividend of 10.2 pence per share in respect of the year ended 31st October 2014. If approved at the AGM, the dividend will be paid on 8th April 2015 to shareholders on the register at the close of business on 13th March 2014.

Resolutions 3 to 7 – Election and re-election of Directors

The Company's Articles of Association currently require Directors to retire from office unless elected or re-elected at the AGM. Malcolm McCaig is standing down from the Board at the conclusion of the AGM and is not standing for re-election.

The Board is carrying out a recruitment process for further Non-Executive Directors, one of whom will chair the Audit and Risk Committee. However, details of those individuals were not available prior to publication of this notice. Full details will be announced by the Company in due course and such appointment put before shareholders at the subsequent Annual General Meeting.

The Board has considered the independence of the current Non-Executive Directors under the UK Corporate Governance Code and has concluded that all the current Non-Executive Directors, excluding the Chairman, presenting themselves for re-election are independent in character and judgement and that there are no relationships or circumstances likely to affect the character or judgement of any of them.

William Rucker, the Non-Executive Chairman of the Company, is not considered to be independent for the purposes of the UK Corporate Governance Code as a result of his role as the Chief Executive Officer of Lazard in the UK (a financial adviser to the Company, from time to time) and his interest in the Ordinary shares of the Company. However, the Directors believe that his knowledge and understanding of the Group's business will continue to be an asset to the Group in the future.

The Directors believe that the Executive Directors in conjunction with the Non-Executive Directors are the appropriate team to enable the Group to take advantage of the opportunities available to it and to continue to position the business for the long-term and for the benefit of shareholders as a whole. The Board will be supplemented by additional Non-Executive Directors in due course.

Following an evaluation of the Board and its committees, the Board is satisfied that each Director standing for re-election continues to make effective and valuable contributions to the Board and to demonstrate commitment to the role.

The following biographical details are given in support of the Board's recommendation to re-elect each of the Directors of the Company:

Explanatory notes on the resolutions

Resolutions 8 and 9 – To authorise the Board to appoint PricewaterhouseCoopers LLP as the auditor to the Company and to determine their remuneration

At every Annual General Meeting at which accounts are presented to shareholders, the Company is required to appoint an auditor to serve until the next such meeting. During the year the Company carried out an auditor tender process and chose to appoint PricewaterhouseCoopers LLP in place of KPMG LLP. You are asked to approve their appointment and, following normal practice, to authorise the Board to determine their remuneration.

Resolution 10 – To approve the Directors' Remuneration Report for the year ended 31st October 2014

In accordance with section 439 of the Companies Act 2006 (the 'Act'), shareholders are invited to vote on the Directors' Remuneration Report (other than the part containing the Remuneration Policy on pages 86 to 91) for the year ended 31st October 2014, which may be found on pages 83 to 100 of the Annual Integrated Report for the year ended 31st October 2014. The vote is advisory only, and the Directors' entitlement to remuneration is not conditional on the resolution being passed.

Resolution 11 – Authority to allot shares

This resolution seeks to give the Directors' general authority to allot shares and to grant rights to subscribe for or to convert any security into shares in the Company. The authority would give the Directors authority to allot shares and to grant rights to subscribe for or to convert any security into shares in the Company with an aggregate nominal value of up to £4,190,554 (representing 83,811,096 Ordinary Shares) which, as at 2nd February 2015, being the latest practicable date prior to the publication of this Notice, represented one-third of the issued share capital of the Company.

The authority sought under resolution 11 will expire at the earlier of either the conclusion of the next Annual General Meeting of the Company or 30th April 2016. The Board intends to seek renewal of this authority again at next year's Annual General Meeting. The Directors do not have any present intention to exercise the authority sought under this resolution except in order to satisfy share options under the Company's share option schemes. However, the Directors consider it appropriate to maintain the flexibility that this authority provides in order to be in a position to respond to market developments and to enable allotments to take place to finance business opportunities should they arise.

Resolutions 12 to 13 are proposed as special resolutions.

Resolution 12 – Disapplication of pre-emption rights

This resolution gives the Board authority to allot shares (or sell any shares which the Company may purchase and elect to hold as treasury shares) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

This authority would be limited to allotments or sales in connection with pre-emptive offers or otherwise up to an aggregate nominal amount of £628,583 (representing 12,571,665 Ordinary Shares). This aggregate nominal amount represents approximately 5% of the issued share capital of the Company as at 2nd February 2015, being the latest practicable date prior to the publication of this Notice. In respect of this maximum amount, the Directors confirm their intention to follow the provisions of the Pre-emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three year period, which provide that usage in excess of 7.5% should not take place without prior consultation with shareholders.

This authority is granted under section 570 of the Act and will expire on the earlier of either the conclusion of the next Annual General Meeting of the Company or 30th April 2016.

Resolution 13 – Purchase of own shares by the Company

This resolution seeks to renew the authority for the Company to make market purchases of its own shares. You are therefore asked to authorise the Company to purchase up to an aggregate maximum of 25,143,331 Ordinary Shares, which represents approximately 10% of the Company's issued share capital as at 2nd February 2015 being the latest practicable date prior to the publication of this Notice. As at the date of this Notice, no purchases have been made under the authority granted to the Company on 20th March 2014.

Explanatory notes on the resolutions

The Directors do not currently have any intention of exercising the authority granted by this resolution but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The authority will be exercised only if, in the opinion of the Directors, this will result in an increase in earnings per share and would be in the best interests of the Company and its shareholders generally, given the market conditions and the price prevailing at the time, or alternatively as method of satisfying awards under employee share plans, which would, after acquisition be held in treasury.

The Company may either retain any of its own shares which it has purchased as treasury shares with a view to possible re-issue at a future date, or cancel them. The Company would consider holding any of its own shares that it purchases pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to re-issue treasury shares quickly and cost-effectively, including pursuant to the authority under resolution 11 above and would provide the Company with additional flexibility in the management of its capital base.

The total number of options to subscribe for Ordinary Shares outstanding as at 2nd February 2015 (excluding the issued but unallocated Ordinary Shares held under the employee benefit trust of the Company), being the last practicable date prior to the publication of this Notice, was approximately 4,554,280 representing approximately 1.8% of the issued share capital as at 2nd February 2015. If the Company was to buy back the maximum number of Ordinary Shares permitted pursuant to resolution 13, then the total number of options to subscribe for Ordinary Shares outstanding at 2nd February 2015 would represent approximately 2.0% of the reduced issued share capital.

Resolution 14 – Notice of general meetings

Resolution 14 seeks the approval of shareholders to allow the Company to hold general meetings (other than Annual General Meetings) on 14 clear days' notice as required by the Companies (Shareholders' Rights) Regulations 2009. The shorter notice period would not be used as a matter of routine for such meetings but only where the flexibility is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive.

In order to be able to call a general meeting on less than 21 clear days' notice, the above resolution must be approved and the Company must make a means of electronic voting available to all shareholders for that meeting. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

Issued share capital
