

Checklist for companies that do not hold Chain of Custody for FSC and/or PEFC

Requirements by Crest Nicholson prior to entering into an agreement for services

Prior to Crest Nicholson entering into an agreement with you for services, we require several pieces of evidence to demonstrate that your timber supplier(s) is certified to carry and provide you with timber from either or both the Forest Stewardship Council (FSC) and Programme for the Endorsement of Forest Certification Schemes (PEFC) and that it is this certified timber that will be used on Crest Nicholson sites.

Crest Nicholson will not enter in an agreement with your company without having received and verified the following information.

Required Evidence Prior to Agreeing to Services	DUE
<ol style="list-style-type: none"> 1. Participating in Crest Nicholson's annual audit

Every year Crest Nicholson undertake a robust and detailed audit of its timber supply chain to ensure that it is meeting its public commitments and procuring timber from sustainable sources.

Your participation in the annual audit is critical to Crest Nicholson gathering a complete picture of its supply chain. We expect every subcontractor and supplier to participate. Below is an outline of what we expect from you for our auditing purposes and approximate timeframes.

Requirements for the annual audit

Fully complete the Timber Audit Questionnaire sent to you by your Crest Nicholson auditor. The questionnaire will include up to 3 tabs you need to complete:

1. Basic company information
2. Information about the environmental, social, and supply chain policies you have in place
3. Detailed information about the timber products you supplied to Crest Nicholson in the last Financial Year (from November 1st to October 31st), including:
 - a. The type of timber product (door, window, roof batten, etc.)
 - b. The volume in m³ for that product
 - c. The tree species and country of origin for the timber product
 - d. The certification programme under which the timber product is certified

Provide any evidence we require or request from you.

This can include any supply chain information regarding the source of the timber you purchased for use on our sites.

Timeframe for the annual audit

- The annual audit takes place in November and December every year.
- You will receive a request to participate, along with the Timber Audit Questionnaire in the first two weeks of November.
- You will have 2-3 weeks to complete your Timber Audit Questionnaire and submit it, along with any evidence we've requested, to your auditor.
