This development plan does not in any way constitute or form any part of a contract of sale transfer or lease. A number of new homes on our developments are designated as affordable homes in accordance with the requirements of the section 106 planning agreement. These are specifically shown on the development plan as affordable housing and/or affordable rent or shared ownership properties to make it clear that they are not available for general sale. The location of affordable homes is indicative only. The remaining homes on the development are available for open market sale (including multi-unit sales) to purchasers, who could be private individuals or another type of purchaser (for example local authorities, housing associations or other commercial landlords), and, therefore, the mix of tenures on a development may change. Please ask a sales executive for further details. 1012656/June 2025
