## TYPE OF OWNERSHIP

Houses at this development are "freehold". The land on which the houses have been, or will be, constructed is registered at the Land Registry. You will own the building and the land it sits upon outright, forever. There are shared areas on the estate (such as roads or landscaped areas) that are maintained and insured by a management company. You pay a contribution towards these costs.

As part of the planning consent for this development some homes are designated as section 106 (section 75 in Scotland) affordable housing. These properties will remain as affordable housing tenure and are specifically shown on the site layout plan and are not available for general sale. All other homes on the development are available for open market sale (including multi-unit sales) to purchasers, who could be private individuals or another type of purchaser (for example local authorities, housing associations or other commercial landlords), and, therefore, the ownership and occupation model is unrestricted and the mix of tenures on a development may change.

## RESERVATION FEE, SERVICE CHARGE AND OTHER FEES

---

### WHAT IS A RESERVATION FEE?

A reservation fee is a "holding deposit" you pay to a developer to officially take a new home off the market for you.

When you pay this fee, the developer agrees not to sell that specific plot to anyone else for a set period giving you time to arrange your mortgage and legal paperwork.

A reservation fee of £1000 is payable and will be deducted from the final price. Where a buying scheme is used, the reservation fee may be limited to £500. Terms and eligibility criteria apply. Please speak to a Sales Executive for full details.

---

### GROUND RENT

None.

---

### What is the Estimated Service Charge payable?

You pay an annual Estate Service Charge to the Management Company who is responsible for the maintenance and insurance of the shared areas and services of the estate which are not to be adopted by Local Authorities or Utility providers. This is an estimate of the actual cost for undertaking the maintenance and insurance of the shared areas on the development and a proportion for a reserve fund.

See Service Charge list below for how much Service Charge is payable for each type of property at this development which are correct at the time of publication. The Service Charge may increase in future in line with increases in estate costs.

**KNOWN FUTURE  
PHASES OF THE  
DEVELOPMENT  
CREST  
NICHOLSON  
HAVE  
COMMITTED TO**

We have not committed to any future phases at this stage. We are aware of potential future development on land directly to the west. Construction has commenced by Fernham Homes.

**FACILITIES  
WHICH CREST  
NICHOLSON ARE  
PARTY TO ON  
THE  
DEVELOPMENT**

When a developer is a "party to" the facilities on a development, it means they have a continuing legal obligation to provide specific infrastructure—even after they have started selling the individual homes.

Facilities on the development comprise an area of public open space which includes an orchard, a wildlife pond and a locally equipped area for play. These facilities are to be maintained by the development management company as part of the Service Charge.

Crest Nicholson is a registered developer with the New Homes Quality Code. Please speak to a sales executive if you need further help with any marketing material including provision in another format.

Illustrations, images, plans and content may show typical Crest Nicholson properties rather than properties from the actual development itself. Also, they may depict furniture, fixtures and fittings which are not included in the sale of our new homes and optional extras which may be at additional cost. In addition, elevation, materials, gradients, landscaping, street furniture and window and door sizes and locations are plot specific and may vary.

Please speak to a sales executive for details of current availability and pricing, any offers, promotions or incentives and their associated terms and conditions, other charges applicable to ownership, optional extras, updates to completion dates and plot specific information.
