Houses at this development are “freehold”. The land on which the houses have been, or will be, constructed is registered at Land Registry. You own the building and the land it sits upon outright, forever. There are shared areas on the estate (such as roads or landscaped areas) that are maintained and insured by a management company. You pay a contribution towards these costs.

**TYPE OF OWNERSHIP**

As part of the planning consent for this development some homes are designated as section 106 (section 75 in Scotland) affordable housing. These properties will remain as affordable housing tenure and are specifically shown on the site layout plan and are not available for general sale. All other homes on the development are available for open market sale (including multi-unit sales) to purchasers, who could be private individuals or another type of purchaser (for example local authorities, housing associations or other commercial landlords), and, therefore, the ownership and occupation model is unrestricted and the mix of tenures on a development may change.

## RESERVATION FEE, SERVICE CHARGE AND OTHER FEES

---

**RESERVATION FEE**

A reservation fee is a “holding deposit” you pay to a developer to officially take a new home off the market for you.

When you pay this fee, the developer agrees not to sell that specific plot to anyone else for a set period giving you time to arrange your mortgage and legal paperwork.

A reservation fee of £1000 is payable and will be deducted from the final price. Where a buying scheme is used, the reservation fee may be limited to £500. Terms and eligibility criteria apply. Please speak to a Sales Executive for full details

**GROUND RENT**

None.

**SERVICE CHARGE**

**What is the Estimated Service Charge payable?**

- You pay an annual service charge which is currently £242.45 (inclusive of VAT) to the Management Company who is responsible for the maintenance and insurance of the shared areas and services of the estate which are not to be adopted by Local Authorities or Utility providers. This is the actual cost for undertaking the maintenance and insurance of the shared areas on the development and a proportion for a reserve fund.
- The service charge may increase in future in line with increases in estate costs.

**Are there any known circumstances that will lead to an increase?**

No. However, the amount of service charge may vary due to actual maintenance costs, inflation and contractor prices.

If any payments become overdue, interest is charged at 4% above the Barclays Bank base rate.

**OTHER FEES AND HOW THEY ARE CALCULATED**

**POSSIBLE FUTURE FEES:**

- **EVENT FEE:** You pay this administration fee if you sell, sublet, or change your mortgage on the property. It’s sometimes called an exit or transfer fee.
- **CONSENT FEE:** If you need permission for certain changes (like alterations), you’ll pay an administration fee for the approval process.
- **MANAGING AGENT FEES:** There is a separate list of administration fees charged by the managing agent for this site.

For more details, see the New Home Affordability and Indicative Costs Guide, which you’ll get before you reserve your home.

**KNOWN FUTURE PHASES OF THE DEVELOPMENT CREST NICHOLSON HAVE COMMITTED TO**

None.

---

**FACILITIES WHICH CREST NICHOLSON ARE PARTY TO ON THE DEVELOPMENT**

When a developer is a "party to" the facilities on a development, it means they have a continuing legal obligation to provide specific infrastructure—even after they have started selling the individual homes.

Crest Nicholson are party to the following facilities on the Development, namely the provision of the open space areas, private roads and any private drainage. The detailed planning consent referenced above will clarify. The relevance of this to you is that service charges will apply, as detailed above, to these areas, which will be transferred to the management company.

Crest Nicholson is a registered developer with the New Homes Quality Code. Please speak to a sales executive if you need further help with any marketing material including provision in another format.

Illustrations, images, plans and content may show typical Crest Nicholson properties rather than properties from the actual development itself. Also, they may depict furniture, fixtures and fittings which are not included in the sale of our new homes and optional extras which may be at additional cost. In addition, elevation, materials, gradients, landscaping, street furniture and window and door sizes and locations are plot specific and may vary.

Please speak to a sales executive for details of current availability and pricing, any offers, promotions or incentives and their associated terms and conditions, other charges applicable to ownership, optional extras, updates to completion dates and plot specific information.
