

## Building Great Places

### Development Update - Infrastructure, amenities and facilities at Curbridge Meadows

We take pride in what we do and work hard to deliver developments our customers will enjoy living in.

As well as building high quality homes, our developments are designed to include the necessary infrastructure, useful amenities, leisure facilities and green open spaces.

The table below gives details of the works which are in progress and will be delivered at Curbridge Meadows. The works are also shown on the plan below.

The timescales provided for completion of works are indicative and may be subject to change based on external market factors.

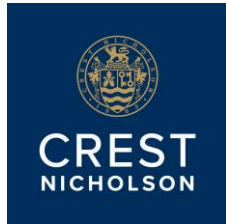

For information on progress of these works please check the Development website accessed via [www.crestnicholson.com](http://www.crestnicholson.com)

#### **All Parcel works have been completed**

Notes:

- The estate management company will also be responsible for maintaining small areas of incidental landscaping and shared drive accesses for a small number of properties. These items are not included on the above schedule due to their more limited nature and use, however they will be completed alongside the adjacent homes.

**December 2023 – Updated Quarterly**

20	Public open space	<ul style="list-style-type: none"> <li>Complete all public open space works.</li> </ul>	Consortium	Q4 2028

December 2023 – Updated Quarterly

## Building Great Places

### Development Update - Infrastructure, amenities and facilities at Curbridge Meadows

Notes:

- The 'Consortium' comprises Crest Nicholson, Vistry, Taylor Wimpey and Persimmon. Where works are to be completed by the Consortium, all consortium members are jointly responsible.

**The North Whiteley Consortium Development to the north is being developed by Vistry and is therefore excluded from this Development Update.**
