

Building Great Places

Development Update - Infrastructure, amenities and facilities at Newlands Place

We take pride in what we do and work hard to deliver developments our customers will enjoy living in.

As well as building high quality homes, our developments are designed to include the necessary infrastructure, useful amenities, leisure facilities and green open spaces.

The table below gives details of the works which are in progress and are planned to be delivered at Newlands Place. The works are also shown on the plan below.

The timescales provided for completion of works are indicative and may be subject to change based on external market factors.

For information on progress of these works please check the Development website accessed via www.crestnicholson.com

September 2025 – Updated Quarterly

Building Great Places

Development Update - Infrastructure, amenities and facilities at Newlands Place

Notes:

- The estate management company will also be responsible for maintaining small areas of incidental landscaping and shared drive accesses for a small number of properties. These items are not included on the above schedule due to their more limited nature and use, however they will be completed alongside the adjacent homes
